Advance Praise for *Sometimes When I'm Worried* (9781631987373)

"Addressing common childhood worries, reflected in beautifully drawn and descriptive illustrations, *Sometimes When I'm Worried* normalizes the anxiety that so many children feel by removing the blame and providing actionable strategies for both children and their parents to feel more at ease."—Jess P. Shatkin, M.D., MPH, Professor, Child & Adolescent Psychiatry and Pediatrics, New York University School of Medicine

Advance Praise for *I Think I Think a Lot* (9798885540087)

"*I Think I Think a Lot* is a powerful story of empathy, compassion, and acceptance. Whipple writes beautifully of OCD from a child's perspective and invites the reader into the intricacies of this world. I love this book so much because Whipple makes us think a lot too, and we're so much better because of it."—Jordan Scott, poet and author of *I Talk Like a River*
